**The Park Lawn Association** Emergency Operations Plan contains specific procedures for planning, responding to, mitigating, and recovering from emergencies that occur on Park Lawn Association property or those that take place offsite but have a potential impact on Park Lawn Association Community. Situations with a potential impact at this facility includes natural, man-made and technological events

The Goal of the plan is to provide guidance for all known hazards for facility residents, participants, visitors, staff and property. The plan is organized by the following sections that are easily revised and updated:

- Introduction
- Research and Analysis
- Planning
- Preparedness
- Functional Annexes
- Response Annexes
- Appendix
