

## Outdoor Social Distance Visit Guidelines

**\*\*Visits MUST be scheduled in advance. Call the residence to schedule your visit.**

**\*\*Visits are limited to 2 visitors at a time per resident per week. Visitors to a resident during an appointment slot must reside in the same household.**

**\*\*Visits are limited to ONE 30-minute visit per week. Visits are scheduled at the top of each hour so that there is a 30 minute window between to properly clean and disinfect the visiting area.**

**\*\*Please note that certain times will be blocked out as they may interfere with meals or other household needs**

**\*\*Visitors must be pre-screened over the telephone within the 24 hours before the scheduled visit and will be screened again with temperature checks upon arrival of each visit.**

**\*\*Park Lawn must maintain a record of all visitors with contact information, for potential contact tracing. This information will be requested at EACH visit: Name, address, telephone number, email address (if available).**

**\*\*Residents and visitors must wear a face covering. If the resident is unable to wear a mask additional social distancing will be expected.**

**\*\*During the visit a minimum of 6 feet social distancing MUST be followed. No hugging or touching is permitted at this time.**

**\*\*Specific markings and signage to cue six-foot separation, face coverings, and hand hygiene has been made available and must be adhered to. Alcohol-based hand rub will be available and must be used by visitors, residents and staff attendants.**

## Outdoor Social Distance Visit Guidelines

**\*\*Visits are limited to the designated visiting area only. (Each residence has a specified area). This area cannot be a common area for other residents of the home.**

**\*\*At this time we are limiting these visits to social visits, please do not bring food or activities.**

**\*\*Park Lawn staff are mandated to supervise each visit to ensure the use of face coverings and social distancing.**

**\*\*Visitors are required to comply with the facility's visitation policy. If a visitor refuses to follow the facility's policy during the visit, the staff are authorized to end the visit. Visits will be discontinued if the guidelines are not followed.**

**\*\*As well, visits may be suspended at any time due to inclement weather, changes in health status of the resident or other residents in the facility and/or if there is a facility onset of COVID-19.**

**\*\*Residents in isolation or quarantine due to known suspected COVID-19 infection or exposure cannot receive visitors.**
