

Park Lawn Queen of Hearts Game Overview & Draw Down Process

1. Jackpot Limit

- **Current Limit:** Per our license issued to Park Lawn from the Village of Crestwood, the jackpot is capped at **\$2 million**.
- **Continuation:** The game will continue under existing rules. If the Queen of Hearts is not found after reaching \$2 million, a draw down will occur.

2. Draw Down Process

- **How It Works:**
 - Tickets will be drawn **one at a time**.
 - If the drawn ticket reveals the **Queen of Hearts**, the game ends immediately.
 - If the drawn ticket does not reveal the Queen of Hearts:
 - The ticket will be **discarded**, and another ticket will be drawn.
 - If the card position has already been claimed, that ticket will also be discarded, and a new ticket will be drawn.
 - The draw down continues until the Queen of Hearts is revealed.
 - Each ticket pulled will be awarded **24 tickets** to the Park Lawn Queen of Hearts Version 8.0 Raffle.
 - During the draw down, the **Joker** is NO LONGER a kill card and is treated like any other card.
 - Tickets for **Park Lawn Queen of Hearts Version 8.0** will go on sale immediately after the completion of Version 7.0. The drawing date for Version 8.0 is to be determined.
 - Reminder: The Version 8.0 jackpot will be seeded with **10% of the winnings** from Park Lawn's portion of Version 7.0.
